1311 Vandalia Road
Hillsboro, IL 62049

October 30, 2011

Dear Friend,

The Hillsboro Educational Foundational investments continue to increase with the help of our many supporters. Post high school education is more important now than ever before and there are many more students in need to help with scholarships this year. Your continued support of the Hillsboro Educational Foundation's scholarship program is very much appreciated.

With the current economic climate in our schools, our teachers have much less money every year to spend on classroom educational needs. The school district's financial condition is not as good as it has been in past years, which makes the Wish List program more important to the teachers in our school district.

During the past year, 47 scholarships were presented to graduates through the Foundation. In addition, over \$ 9,000 in funding was made available to classroom projects through the Wish List donations to the Foundation.

The 2011 Wish List is attached. Please review it and select an item you wish to fund this year. All you have to do is to indicate which wish you would like to fund and send a check for the amount indicated. The Foundation directors will take care of the rest. The item is purchased upon receipt of your gift and given to the requesting teacher for use in the classroom.

It is extremely important that the students in our school district have every opportunity to utilize those things necessary for a 21st century classroom in order to compete in this global economy and market. Please do what you can to help our teachers meet that goal.

As always your gift is fully tax deductible and will benefit the students, teachers and staff of the Hillsboro School District. Your continued support is greatly appreciated.

Sincerely,

**Hillsboro Community Unit School District #3
