At the top of the opening page of your school's site is the school name and contact information, as well as the local weather report.

Today's Events is a list of events happening in your school today.

The calendar shows this week's activities. If you "roll over" an event with your mouse pointer, a small screen will pop-up to provide you with even more information about the event with facility scheduled for the event and transportation depart and return times.

Click on "**Click here to view the Month**" to see the entire current month and to view other months.

"**Sync Calendar**" immediately syncs the calendar THAT YOU ARE VIEWING to your handheld desktop or Microsoft's Outlook. If you are viewing the weekly calendar, all events that you see on the weekly calendar will immediately sync. If you are viewing the monthly calendar, then all of the events on the monthly calendar will immediately sync.

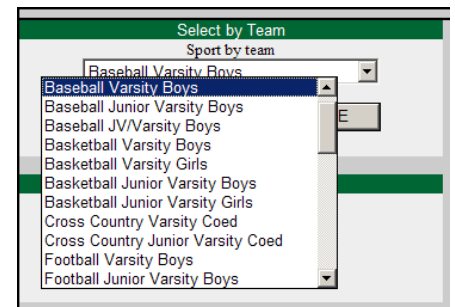

Click on "**Advanced Sync**" to sync specific events.

At the bottom of the page are a number of options.

On the left, chose a team from the list. When the team's schedule is displayed, you can download the team's schedule into your handheld or Microsoft's Outlook by clicking on [PDA/Outlook Sync](#).

Clicking on any school's name underlined in blue will take you to MapQuest.com for directions to that school.

This is also where you go to view game scores.
