COVID Update Message to Parents and Employees

Thursday, April 15, 2021

11:00 a.m.

**Quarantine Count Creeps Upward**

**Vaccinations to be Offered to Students 16 and Older**

Our quarantine count has risen to 25, as of today. A COVID positive kindergarten student this week, a jr. high student last week, and a few outside of school contacts has led to this increase.

We remain committed to providing our students and staff with a safe and healthy environment. To that end, we are working with the Montgomery County Health Department to provide vaccination clinics at HHS for students 16 years of age and older whose parents choose for them to participate. Participation is, of course, completely voluntarily.

Thank you for your understanding and ongoing cooperation with our COVID prevention policies and procedures as we work to help protect our students, staff, and families. For any questions or concerns, please contact us at (217) 532-2942.

*The Hillsboro Community School District fosters a student-centered culture with high expectations for each student to reach his or her full potential.*
