

What's Right at Coffeen School?

November 29, 2018

Principal's Message

Wow! How is it almost December? Lots of fun things will be happening in the month of December. The school is buzzing with excitement this time of year. Our Christmas tree is up and ready for the classes to decorate it with their homemade ornaments. The students are practicing for the Christmas Program, these are some of my favorite traditions. We will decorate the bottom of our tree with goodies for the animal shelter and food pantry.

I hope your family has started some of your favorite holiday traditions and you have a wonderful Christmas season.
