Dear Friend,

On behalf of the Hillsboro Educational Foundation, I would like to thank you for your past support of our organization. The Hillsboro Educational Foundation was founded in 1996 with a two-fold approach for promoting academic excellence in our schools. The first is through scholarships awarded annually to our graduating seniors. During the past year, 84 scholarships totaling \$113,250.00 were presented through the Foundation.

The second approach is through the Wish List Program which helps teachers purchase classroom supplies to assist in classroom instruction. Last year \$34,600.00 in funding was made available to purchase equipment and supplies for our classroom teachers. Because of the generosity and support of donors just like you, the Foundation is able to continue to support our seniors, teachers, and classrooms.

The 2024 Wish List and Donor form is enclosed. We ask you to consider supporting our students and teachers again this year. Please complete the form indicating where you would like your donation to be used. If you select Wish List items, please list them in the space provided. The selected item/items will be purchased upon receipt of your donation and given to the requesting teachers for immediate use in their classroom. If you wish to remain anonymous, please indicate this on the form.

We thank you in advance for your 2024 support. Checks should be mailed with the completed form to the address at the bottom of the form. As always, your gift is fully tax deductible and will benefit our district's students, teachers, and staff.

Sincerely,

HCUSD #3 Educational Foundation, Inc.
