

25 WAYS TO ENCOURAGE YOUR CHILD

Thank you for helping with...that means a lot to me.
It makes our morning easier when you []thank you!

I really appreciate it when you....

Thank you for doing that! That is helpful to me.

We did it together!

Wow, you made a big building/colorful picture, etc.

You did it all by yourself!

You used a lot of red paint, sparkles, tape, etc.

That was really creative!

You worked really hard on that!

Tell me about how you did that?

You did [x]...what will you do next?

Can you tell me about it?

What is your favorite part?

Tell me how you came up with that idea?!

I really enjoy doing this with you.

I love watching you create/help your sister/play soccer, etc.

I'm so proud to be your mom/dad...everyday, no matter what!

Look how happy your friend was when you shared.

You kept going, even though it was hard!

You look proud of yourself

You make your brother happy when you said/did that.

It made you feel good inside when you did that, didn't it?

I love you so much!

(Say nothing...just smile and make eye contact with them)
