K-5 Elementary and Early Childhood Programs

Hillsboro CUSD#3

Dear Parents,

Recently you may have participated in the first annual Hillsboro Community School District Parent Satisfaction Survey, and I want to take this opportunity to thank those of you who completed the survey. We appreciate your feedback to help us improve the services we offer families and students. During planning sessions with all staff, we shared the results from the survey and focused on creating an Action Plan for Improvement.

I want to provide some key points from our results report.

- The total number of district parent/caregivers who completed the survey was 421
- The overall district mean was 3.81 on a 5-point scale
- Number of parents who completed the survey for Coffeen School was **37**
- The mean score for our school was **4.41** on a 5-point scale
- The highest ranked items were *My child's learning is a high priority at this school* and *My family is treated with respect at this school*. We will continue to focus on these areas as strengths.
- Coffeen School's target areas for improvement from the survey results are ***Providing parents better feedback about the educational progress accomplished by their children and Improving the overall consistency of discipline.***

More information about the survey results is available on our website www.hillsboroschools.net. We will check in with you during the year to ask if you notice the change in our service to you. Our goal is to create the best possible environment for working and learning.

If you have any questions, please contact me at 534-2314 or fluckett@hillsboroschools.net. Thank you again for being a part of our Coffeen School family.

Sincerely

Francine Luckett

Francine Luckett,
Coffeen School Principal/
Early Childhood Programs Coordinator
