Lincoln Land Community College - College Now program

This program allows students to take dual credit classes at the Litchfield LLCC Campus.

Students are required to meet standard college entrance requirements.

Students/Parents are responsible to cover the cost of each course at LLCC's standard \$/hr cost.

Students are responsible for providing their own transportation.

List of available College Now courses will be made available each semester of its program.

College Now AM students are required to have met ALL HHS graduation requirements before participating in the College Now Program. College Now PM students will be required to create a schedule that allows for their afternoon schedule to be opened for all of their College Now PM classes.

College Now AM	Senior students who have met all of their graduation requirements. Students will attend ALL 2 nd semester classes on the Litchfield LLCC Campus
College Now PM	Senior students who have openings in their afternoon (5 – 7 th hrs) schedule
