NAS 101 BASIC NURSING APPLICATION

2023-2024 Academic year

Student: _____**Year in School:** Jr.   Sr.

Student confirmation of the items below are required as part of the application process:

___I have read and understand the course description for this class.

___I understand this class is a full year class and that I should not apply unless I am planning on taking the class for the full year.
___I am willing to provide my own transportation to and from my on-site placement.

___I understand that this is a 2 credit class which requires completion of daily tasks and assignments, a strong attendance record and a positive work ethic.
I understand that I am required to complete or provide the following:

___Attend a Spring semester group meeting with the instructor (TBA)

___Must qualify through SAT, ACT or LLCC Reading Placement Score

___Physical Exam (must use LLCC Form provided by instructor)

___Must be able to lift 50 lbs. minimum unassisted

___Influenza vaccination is required

___Test results from your completed 2-step TB test (to be complete with instructor once class begins)

___Provide authorization for a back ground check (fee to be paid by student .. approx. $35…to be completed with instructor once class begins)
___Provide authorization for a randomly given urine test to screen for drug use

___Provide the $75 Competency Exam Fee.

Type a paragraph explaining what your goals are for taking the class and how the experience will contribute to your future plans. Attach your paragraph to this application.

(You can share your paragraph with Mrs. Cearlock and she will print/attach for you if needed)
