

Hillsboro Community Unit School District #3 Board of Education  
Building and Grounds Committee Meeting Minutes  
Thursday, February 18, 2021, 4:00 PM  
1311 Vandalia Road, Hillsboro, IL

Due to restrictions related to the pandemic, no visitors were allowed to attend this meeting in person. The meeting was open to the public virtually using the Zoom platform and several community members attended virtually.

The meeting was called to order at 4:00. Committee members Tester, Rupert, and Lentz were present. Also attending were Board President Adams, Superintendent Powell, and Maintenance Director Butler.

Mr. Butler gave some general updates about miscellaneous projects in the District. The HHS cafeteria roof will be replaced this summer. The committee discussed a large roofing project at Hillsboro Jr. High School. Mr. Butler was instructed to move forward with planning on that project. Also moving forward is a plan to abate and replace the floor tile in a number of classrooms at Beckemeyer and HHS. The new flooring will coincide with painting, ceiling tile replacement, and other improvements in those rooms.

The Committee discussed moving forward with a project to replace the Main Building at HHS. Selection of an architect and funding options dominated the discussion. The Committee reached agreement that these topics should be brought to the full Board for discussion at an upcoming meeting.

The meeting was adjourned at 5:20.
