

SERIOUS SAFETY HAZARD RESOLUTION

WHEREAS, the Board of Education of Hillsboro Community Unit School District No. 3 is aware of the existence of various serious safety hazard areas within the school district that have previously been approved by the Illinois Department of Transportation; and,

WHEREAS, the board is mindful of the safety issues relating to students on their way to and from school; and,

WHEREAS, this board fully supports the efforts to help Hillsboro C.U.S.D. #3 students maintain safe practices in these designated areas; and,

WHEREAS, the district is aware of the need to certify that these serious safety hazard areas still exist to the Illinois State Board of Education.

NOW, THEREFORE, BE IT RESOLVED that Hillsboro Community Unit School District No. 3, County of Montgomery, State of Illinois, certifies to the State Board of Education that Illinois Department of Transportation serious safety hazard approvals currently exist as follows:

Single, Type II Hazard
