

Hillsboro Sports Association Basketball

4th, 5th, & 6th Grade

Contract for Boys & Girls

The Hillsboro Sports Association is supporting a Basketball Program for 4th, 5th, & 6th Grade for the 2021-2022 Season, including both recreational and tournament teams.

The overall emphasis of both the rec and tournament team programs will be to have fun while learning the game of basketball – fundamental basketball and sports skills, teamwork, physical fitness, and good sportsmanship.

The recreational teams will play approximately 5-10 games against other towns. The “rec” teams will strive to enhance every child’s personal growth and development, focusing on fundamental basketball skills, sportsmanship, teamwork, and physical fitness. While the rec teams will play in competitive games, the primary focus during both practices and games will be on the areas mentioned above.

For those wishing to participate on a more competitive team, there may be additional tryouts for “tournament teams”. Participation on a tournament team is completely voluntary and will include two or more tournaments in addition to a number of additional competitive games. Similar to the rec teams, the tournament teams will also focus on each child’s personal growth and development, fundamental basketball skills, sportsmanship, teamwork, and physical fitness. However, the main difference will be the tournament team’s focus on the competitive aspect of basketball, and therefore playing time will be distributed on a more competitive basis.

The basketball season typically runs from December through February. Practices are generally held one to two times per week.

The participation fee for the rec team is \$45.

The participation fee for the tournament team is \$75.

Completed contracts and fees are due by October 7th
