

Montgomery County Health Department - WIC Program

Women, Infants & Children

We can help you with your journey to becoming a mother or if you are already a mother we can help you every step of the way. We also have a breastfeeding counselor available for your breastfeeding needs. Any child between the ages of 1-5 who are income eligible are welcome as well.

We can provide you with approximately \$100 in healthy groceries per month for every WIC-eligible household member.

Please give us a call to see if you are income eligible for our services. We cannot wait to help make things easier for you!
