**A MESSAGE FROM COACH REED**

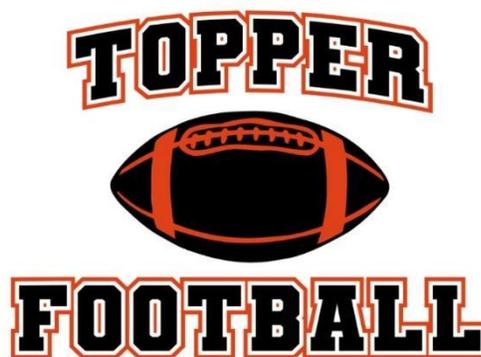

It’s great to be a **TOPPER** and have this opportunity to work with our youth in the community. I’m excited about working with your son or daughter, where they can learn the fundamentals of football. During camp week your child will be exposed to skills and drills to help them become a more well-rounded player. My staff and I are excited to work with the Helton family in starting this new tradition for Topper Football. *TOPPER NATION, LET’S RIDE!*

**IN MEMORY OF TROY HELTON #44**

Troy was an ambassador of football for the youth of Hillsboro. Troy coached, refereed, and taught the game to young aspiring players of all ages. He cared deeply for sports in Hillsboro, especially for football, but most importantly he cared about passing on his knowledge of sport to the youth in the community.

**CAMP INFORMATION**

The **TOPPER** football camp is designed to expose and develop basic skills used in the game of football. The camp is a non-contact camp, and athletes will learn the newest and safest fundamental techniques for blocking and tackling. Campers will be given the opportunity to work on passing, catching, and the kicking game. Concepts will be taught by the HHS coaches, assisted by players and former players. There will be games each day, and we will emphasize fun, effort, and accomplishment.
