

BUILDING TRADES APPLICATION

Student: _____ **Year in School:** Jr. Sr.

Student confirmation of the items below are required as part of the application process:

___ I have read and understand the course description for this class.

___ I understand this class is a full year class and that I should not apply unless I am planning on taking the class for the full year.

___ I am willing to provide my own transportation to and from building site.

___ I understand that this is a 2 credit class that I can obtain LLCC Dual Credit (optional)

___ I understand that completion of class work is an essential part of Building Trades

___ I understand a strong work ethic on site is required to maintain my spot in Building Trades

___ I understand having a positive attitude among my classmates is essential

___ I understand poor attendance will result in removal from class

___ I understand that I must follow ALL safety requirements (instructor will advise)

I understand that I am required to complete or provide the following:

___ Proper work clothing, shoes and tools (instructor will provide descriptions for each)

___ A secondary set of clothing and shoes for a return to HHS classes

___ Application for LLCC Dual Credit (taking full responsibility for knowing expectations)

Use the back of this application to write a paragraph explaining what your goals are for taking the class and how the experience will contribute to your future plans.
